“ *Doreen, I want to express my most sincere condolences to you on the passing of your mom. I had the pleasure of meeting her many years ago at the house in Pequannock, while visiting with Wayne. Your mom was a very warm and compassionate woman. Wayne and I had the privilege of working together in the Country Club circuit, where our friendship had grown through the years. He always spoke of the closeness you all shared, and his relationship with you and your mom was very precious to him. Thankfully, Denise had kept me abreast on your mom's health status, as she sincerely loved her as well. I am confident that our Heavenly Father has been with your mom throughout her illness, speaking words of love and comfort. I am so thankful for God's promise to all of humanity. When our lives on this earth are over, we are transported into the Eternal and Loving Arms of our Lord and Savior.*

“ *Doreen, my deepest sympathy. It was my pleasure to care for your mother this past year. She sure was a "hoot". I truly enjoyed giving her a kiss on her cheek at night from you, when you were unable to visit her. May you find comfort in the memories you have.*

“ Dear Doreen. My condolences to you. Janis was already at the Yellow Pages in Orange when I transferred in from the Commercial Department. She was warm & welcoming to me , the first "outsider" to join the YP ranks. I also remember the day she brought "my daughter Doreen's model portfolio" to work. She was so proud of you. Then, a few years later, you joined the YP team. We were all proud of you as you worked your way up the Directory Department ladder. I will always remember your mom for her bubbly personality, and keen sense of humor. Please be comforted knowing that Janis was well loved by so many people whose lives she touched.

“ My dear friend Doreen, I wish I could be there with my mom to give you a big hug. I am so sad for the loss of your beloved mother. You two were a great tag team! Your mom could not have had a more devoted daughter. Thinking of the fun times with you and your most colorful mother!
