“ Dear Wendy, Alex and Nick,

Jim and I, as well as Patrick were so sad to hear of Jeffrey's passing. It feels as if it was only yesterday that we all had that great afternoon at your home with the Cimieri's and Us laughing and telling stories of the boys all afternoon !! What a beautiful home you had for those two boys - Full of love and lots of laughs and fun!!

Jeffrey had a wonderfully big heart and a smile that took away any worries for his health.

He laughed and smiled with his two boys all the time - a memory that will always be there. Love to you and please know that our thoughts are with you tomorrow as you celebrate Jeffrey's wonderful life...

“ We were so fortunate to have met Jeffrey and Wendy during the very best of times. It was our first children, still in the womb at the time, that brought us together. Some 25 years later, the bonds that we built remained as strong as ever. I am so sad to have lost such a wonderful friend, yet cannot think of "Mr." Jeffrey without smiling. That's what we did. We enjoyed each others company, loved each others families as our own, and were always there for each other through all of life's experiences, and there were so many. To Alex and Nick, please know what a wonderful and special part of our lives you have been, and will continue to be as we move forward. We are so proud of the wonderful men you have become, a testament to your parents. We will always be here for you, and hope you know that we consider you our "family". Wendy, I cannot find the words to express what an amazing friend you have been all these years, the glue that has always kept us together. Please know how special you are to us.

As we mourn Jeffrey's passing, and celebrate his incredible life, I hope you can find comfort in knowing that the love your family has given over the years comes full circle, and we hold you and the boys in our deepest thoughts and prayers.
