“ Wow, just found an old letter from Jeff, Oct. 1966 and thought that I would look him up. So sorry to hear that he has left us. I knew him in the old days, in fact he resided in a converted chicken coop, and we had a lot to laugh about. If you wish the letters let me know where to send them. Joe VelasCalifornia

“ Perhaps the best measure of a person is how much they are missed when they are gone. We didn't see each other often but those times were enough to put a tear in my eye when I found out you had passed. God Bless.
