“ So many memories and so much family history flow through your mind at a time like this. Two things stand out to me. One is the smile - always there! Always caring, always kind. The second is from a time at my nephew Shane's wedding in Vermont. I will try to upload a video that says it all - such a priceless moment that I will never forget. Spontaneous dancing from a 95 (at the time) year old - so awesome! Love you Aunt Jennie - RIP
