“ *Dear Doreen, Angela and family,
You can always tell where a beautiful soul has been by the tears and smiles left behind. Memories are treasures that time cannot destroy they are a happy pathway to yesterday's bright joy. Though your heart may hold deep sadness at the loss of your daughter, the one you loved may it also hold the blessing of the life you shared and the love that will always be a part of you. May God bless you and your family and keep you in His care. He will wrap His loving arms around you and comfort you and give you peace.
From,

“ To Doreen and the entire McMenemy family, our family shares in the sadness of the unthinkable loss of your beautiful girl. We pray that knowing that Jessica is in God's loving arms brings you a measure of comfort going forward. Her smile and personality commanded every room she walked into and we all had occasion to enjoy her quick wit and willingness to be truly present for those in her company. We will join our son in finding ways to honor Jessica's life and the things that held personal and special meaning to her. Please know that our hearts are with you at this most difficult time.
