“ *My love and prayers are with you George, Colleen, Garrett and Samantha for the loss of your beloved Mother and Grandmother. Joan was my dearest friend we shared many tears and happy times together that are all fondly placed in my treasure chest of memories. Find comfort in knowing that her suffering is over and that she is at peace in Heaven with our Lord. Love, Pat Gaiton*

“ *George, Colleen, Garrett and Samantha, I am so sorry for your loss. Your family are in our prayers. Memories of your mom are in our thoughts in our home. Your mom was not only my Godmother but she was my favorite Aunt. As a child the extremely thoughtful things she did for others is deeply woven into my memory. Her special, gorgeous cakes she made me as a child are the things I remember the most about my birthdays. My Holly Hobby cake was my favorite, though I remember most of them as vividly. My own families tradition of making gifts for Christmas come from my memory of your mom baking those wonderful cookie trays for others at Christmastime. I remember how much joy that brought to others. I will always hold those memories close to my heart and cherish the things that made holidays special to me. I will miss your mom. I am here for you in any way you need. Love, Pam, Mark, Dashiell and Auden*
