“ Joann was like a second mom to me for over 25 years of being friends with Donna and Phil and her entire family . In all those years she and I always had wonderful conversations and lots of laughs . I loved her so dearly and I will miss her but I am truly blessed to have had her as such an important part of my life and my children's lives because she was truly mom to me and nanny to them ! May God bless her family and give them strength and may Mom be an angel in heaven to watch over everyone now !
