“ Jay, I'll never forget the day Thomas and I first met you and Dana in Oz (2019) and the times since then, including taking me on carnival rides on the beach after the pub and welcoming us into your home and meeting Taco (ten to two toes as I call her). We always said you two were our favorite couple ever!!! Two fun, happy, positive, wonderful people whose company we enjoyed and looked up to. We really looked forward to seeing you in Ireland and meeting your two beautiful daughters.

Our hearts are broken as we struggle to process this news. I hope you're in a better place with peace and watching over your family, wife, kids, and fur babies.

We love you, Jay. Thank you for the amazing memories and advice in Oz. You'll always be a legend and remembered.

Rest in paradise mate—you deserve the biggest bed to lie in, until we meet again my friend.

My taughts and prayers are with the entire Doolin family on your loss of an amazing guy! Healing hugs sent to you all - xx

“ I met J through my friend Barbara, Dana's mom. J did several jobs at my home but he was so much more than a carpenter. He was a master craftsman who took pride in his work and he never finished a job unless it was to the customer's satisfaction as well as his own. He was such a loving husband & Father to is beautiful daughters Terra & Kayla as well as his fur babies Taco & Ninja. He was kind & funny & he will be dearly missed.
