And watch you as you sleep
I even place my arms around you
To calm you as you weep
I see you with the days away
Begging to have me home
So I try to send you signs
So you know you are not alone
Don't feel guilty that you have
Life that was denied to me
Heaven is truly beautiful
Just you wait and see

“ I am proud to say my father (via Johnny's Dad) arranged for John and Lillian to meet when I was about 8-9 years old in the late '50's. It was instantly apparent they were made for each other. When I first met him, John was (and remained) a larger than life presence. I admired and looked up to him in so many ways. His love for Lillian and his children was boundless. Each time we met I felt privileged that he was part of my extended family.

John,

Thank you for so many things. Rest now, your time here was well spent, and those of us left behind will never forget your towering, yet gentle goodness.

Love Cousin Tom Pierno, (Nancy and Nicholas).
