“ I really enjoyed being around Junior-he was a character. This world needs more characters with character. He had such an easygoing nature that is rare in these tense times-a creative artist gone too soon. His legacy will be protected and nourished through his son,Dexter. RIP my friend!! “ My family and I have known Jr for about 30 years. During this time we shared many events together including the opportunity I had to work with Jr at Armas. While working at Armas, I saw how much of a gentlemen Jr was. He always made time to help anyone in the office that needed it including myself. I never saw him get upset and was very patient with everyone. Many mornings Jr and I would have a nice long talk upon arriving early. I really enjoyed these talks and it said a lot about his character that he would spend the time with me. Lastly, I got to observe how much of a great dad he was as Dex spent time in the office on occasion. Again, very kind and patient. Jr, my family and I will truly miss you. Rest in peace my friend.
