“ My family and I are deeply saddened by the loss of Godfather Johnny. I am reminded of a quote from Nelson Mandela "What counts in life is not the mere fact that we lived, it is what difference we have made to the lives of others, that will determine the significance of the life we lead. He was like no other person I have known. He truly made a difference to the lives of each and every person who was fortunate enough to know him. He will be forever inside our hearts.
