“ *My Uncle John. One of those old school hard working loving family man, my Uncle who i am dearly going to miss. We use to talk every couple of weeks or so and always on the Holidays. My Uncle John always started the conversation by saying, What you doing Babe? I say Uncle John I am at work or home and his next words were, you know I love you Babe. How is your wife and the kids and give all the girls kisses from me. One special Uncle who touched so many lives with his warmth, love, affection and humor. He was the perfect example of what a true family man is. Uncle you leave us more wiser and smarter and your legacy will live on forever. Rest In Peace.*
