“ *I can't imagine how you all are feeling now. He always had a smile when I said hello in church. Although a livestream wake could never replace being able to give you a hug, at least we had that. And darn it, I wish I had tried his fried chicken!*

“ Dearest Ginny & family, Joe was a warrior with a big heart, He fought the good fight of faith and has earned His prize. As I reminisce and Look back on the 30 years I have known Him He struggled many of those years in many areas of His life but never complained. We spent many years in His presence studying the Bible with Him and Ginny and shared our lives and the Lord. I always admired Him for His courage under fire and His undying Love for the Lord, His family, His church family and friends. Though I know that Joe is now absent from His body and present with the Lord We miss Him. Now my dear friend I look forward to the day I will see you in all your radiant glory, no more pain, no more tears, no more suffering, please tell Pastor I miss Him dearly and save a place for Us. Love in Christ Jesus, Justin and Phyllis Sallusto and Family.
