“ I had the wonderful opportunity to know "Uncle Joe" because of my husband. What I'll always remember & treasure about knowing him was that he always had a smile on his face, and he had one of the most gentle souls I've ever met. His smile could radiate from miles away, and he always welcomed everyone with open arms. He was always so loved by everyone who had the opportunity to meet him , and he left so many treasured memories for everyone to cherish forever. He loved his family & friends with a passion, and he loved the Lord. When God called Joe home to be with him , heaven gained another angel. It's a lot easier to grieve the loss of such a wonderful man because we know he is with our Lord in paradise, and not in pain any longer. I pray God's comfort & peace be upon the Shea Family during this time of loss. Joe is sitting next to God smiling down & watching over all of us. His body may not be on this earth anymore , but he will always live on in our hearts & memories.
RIP Joe
