

Joseph Sisolack

June 8, 1935 - September 22, 2021

It is with profound sadness that we announce the passing of Joseph 'Joe' Sisolack. Joe, 86, passed away peacefully in his home surrounded by his loving family.

Born in Hillside, Joe went on to graduate from Freehold High School eventually setting his roots down in Old Bridge with the love of his life, Joyce. If you ever spoke to Joe at bingo he would recount how unlucky he was. If you knew him, you would find that he lucked out with finding a love that many search for and never find. Joe was an extremely hard worker and entered the field as a mechanic for Cummins Metropower, where he excelled. Just by ear, he knew what needed to happen to have your truck back on the road again.

Joe was never the type of person to 'loaf' as he called it. He enjoyed bowling, making his weekly donations at the bingo halls, and working around the house. Joe avoided 'danger' at all costs but most recently he enjoyed taking trips in the woods in the side by side. Many share and relish in the memories of their trips with Joe to his home in Ocklawaha, Florida. Joe was a beloved brother, husband, father, grandfather, great-grandfather, and friend.

He was loved and cared for by all who knew him including : his parents Joseph and Sophie Sisolack(predeceased). His wife Joyce Sisolack (predeceased). His siblings Steven, Sophie, Theresa, and Annie

(predeceased). His daughter Joyce Sisolack (predeceased). He is survived by his siblings John and Walter. His children Jeannie Sisolack (Dave), Joann Morris (Jack), Joey Sisolack (Debbie) and Jamie Cole (Ivan). His 8 grandchildren and 5 great grandchildren.

“ *So sorry to hear of your dad's passing. I always liked when Ann & I visited him in Old Bridge. He was a great mechanic & when I asked him any questions about cars or trucks, he always took the time to explain things in detail.
May he rest in peace !

“ I met Joe in the mid 1990's when I strayed preparing the family's Income taxes. He and his family immediately became like family to me and not just clients. I honestly have to say that I really looked forward to seeing all of them especially at tax time, Joe, Joyce, Joann and Jamie. I always laughed seeing Joyce dragging him into my house with all his tax documents in dozens of opened envelopes. Joe quickly became a friend and he always made me feel I could call on him when I started having health issues. He wasn't a man of many words, lol, but I knew he was always there to listen to me. I enjoyed the mechanic side of him because I was clueless and I remember how excited he was moving down to Florida with his Joyce. I am going to miss you Joe, and your stories. Im.glad me and Anne got to play bingo with you. That was a special time for us. But I'm especially grateful that Joann brought you over with her in August. You looked great, healthy, with a smile on your face, and that is how me and Anne will remember you.

“ I and my entire family have been dear friends of Joe Sisolack his Beloved wife Joyce and all their children for over 49 years.

My Dad was A owner operator who routinely called on Joe for assistance any time he had a problem with his rig.

Joe never hesitated to assist my Dad when his truck had issues.

I hold many and i say many fond memories of growing up with the entire Sisolack family.

Jamie (Pooh) Joe and Joyce's Youngest daughter and I have been dear friends since kindergarten.

I was always treated as one of Joe and Joyces kids, and when Jamie made me do something wrong i was sat down and Reprimanded which I so deserved it and my parents Appreciated it.

I thought of Joe and Joyce as adopted parents and their kids as my brother and sisters.

We all have shared in times of Grief and celebrated joyfully events.

Joe is now in the loving arms of his beloved wife Joyce.

Heaven has gained yet again another angel.

God Speed Joe and thank you for being an amazing role model for me growing up.

Until we meet again.
