My heart goes out to you during this profoundly difficult time. There's truly nothing like a mother's love. I pray that you and your family find solace and peace in the days ahead.

It's such a blessing to hear that Corrine is now a mom—it's a beautiful continuation of life. Cherish all the lessons and love your mom imparted to you all. Sending you big hugs ☐. Rest in peace, Josephine—I will forever remember her iconic two-door maroon car and the countless hours spent with her when Kristen, was born. I also recall the profound loss of Aunt Faye when my daughter Sydney was born. Annie was like a second mother to me. Right now, I'm just taking a moment to reflect on the past. Life truly is a journey, and we must continue to forge ahead. God Bless I am sure my Mom was there to great her! Again, big hugs
