“ I was one of the luckiest ones to get to call her my Godmother, she truly was a Godmother with the most beautiful soul. My Godmother had the biggest heart and was like an angel. Her love was so pure and so magical at the same time. She was more than a second mom, I would go to her when ever I needed anything, or someone to talk to since I was little and even growing up. We would talk once a week until the last couple of years when she got sick. God knows I missed those talks and thank you for loving so unconditional everyone you touched. Love you and Rest in Peace. “ I am devastated that my beautiful aunt Josephine has passed away. Inaayah and I loved calling her and Carmine, and I am so sad I did not get to see her since I was a little girl, but I had such a wonderful time speaking with her over the phone. She gifted me a beautiful bracelet in 2018 and I have worn it every single day for these past 7 years and I feel beyond blessed to carry a gift from her with me every day. I pray for Carmine and her children during this difficult time, may you rest in peace Josephine and know you are loved.

“ Grandma was one of the kindest, most generous souls I've ever known. She would not sit down unless she knew everyone around her was taken care of, and I will miss her with all my heart. I strive to be as loving and caring as she always was. See you again soon in heaven❤️❤️
