

Judy Knoth Karyczak

October 5, 1954 - November 16, 2021

Judy Knoth Karyczak, 67 of Old Bridge, New Jersey passed away on Tuesday, November 16, 2021, at her home, surrounded by her loving family.

Judy shared nothing but love from the top of her head, to the bottom of her feet, and everything in between, She introduced and taught the Christian faith to many. She started her Hug from God Ministry, sending daily texts that included scripture and positive messages to her many groups. She also started @rockhislove where she left her painted blue rocks with white Bible verses in parks, walking paths, at the beach, and everywhere they could be found.

She was an artist at heart, always thinking about her next project. Her ability was reflected while working in interior design for JCPenney and Ethan Allen. Judy loved gardening, creating a relaxing backyard oasis where she would spend hours reading. She was most at home enjoying the shore, spending countless days every summer at Bradley Beach.

Judy is survived by the positivity and warmth she shared with the world. This is known best by her husband of 37 years, Russell, her daughter Rachael and her fiancé Dean, and her son Sean and his wife Lauren. Judy's impact on the world will be everlasting.

“ I am so saddened to know that Jude has passed. I met her when we worked together at JCPenney’s in New York. She took me under her wing and changed my life. She introduced me to the Lord and my life changed for the better when I met her. Even though I haven’t seen her, I always think of her. Rest in peace!
