

Julio Angel Baez Jr.

October 17, 1957 - October 12, 2014

Julio Angel Baez, Jr., 56, of Perth Amboy died Sunday, October 12, 2014 at JFK Medical Center in Edison. Although born in Puerto Rico, he moved to New Jersey where he resided in Elizabeth before moving to Perth Amboy 12 years ago. Julio lived his life as a proud US Army veteran but those close to him knew him to be much more. Activities such as fishing, hands-on work, reading poetry, adding to his DVD collection, and listening to music were important in his day-to-day life. Julio's love of spending time with family and watching movies characterized his life the most as those close to him can recall his enthusiasm for corny jokes and sharing suggestions about the latest blockbuster with the ones he loved. Julio was incredibly passionate about helping others and his work was emulated in his time working as a drug counselor and the establishment of the El Milagro Chapter of NA in Newark, New Jersey. Julio is predeceased by his cherished wife Sandra (1984) of 9 years, his dear father Julio Angel Baez, Sr. (2002) and brother Luis Baez (1995). He is survived by his dearest mother Tomasita O. (Alicea) Baez, his loving companion of 12 years Edna Carrasquillo, his devoted children Derek (and Felecia) McLean, Julio N. Baez and Ondia (and Anthony) Wade, his dear brothers Ramon A. Baez and Eddie Baez and his adored grandchildren: Eric Wade, Tionna Wade, Bria Wade, Terrod McLean, Anthony J. Wade and Sanaa Mclean. Julio also leaves behind his beloved dog, Max. “ *A month ago today heaven gained an amazing angel. I have the pleasure to work with One of Julio's beautiful children. From the stories I heard Ondia mention about her daddy and the things I continue to hear, it's all good things. I remember the first time I met him at school.. He came to help Ondia put up a board in her classroom. He was nicknamed "Bob the Builder" and I will always remember all the things Ondia mentioned and I have to say I see many character traits in Ondia that is just like her daddy. A quote I read that night I came home from the hospital after being with Ondia stuck with me and on this one month anniversary I want to share it: "god saw him getting tired, and a cure was not to be. He wrapped him in his loving arms and whispered 'come with me' He suffered much in silence, his spirit did not bend. He faced his pain with courage, until the very end. He tried so hard to stay with us but his fight was not in vain, God took him to his loving home and freed him from the pain" . My heart goes out to Ondia and all her family.oxoxoxo Sabrina*

“ It was truly a pleasure to have met you & shared the time that we had. You will be in my prayers as I will always remember what a great man you were. Your kindness towards me was beyond recognition and I will always treasure our special talks and all the many ways you made me feel so very welcomed into your family. May God keep you in his kingdom and share with you the ultimate gift of his glory. I will pray for your family in particular your nephew, mother, brother and sons. Although, my heart yields for their grief and suffering, we can all agree that God's will is all powerful and now you are in a better place. I pray that your family's grief and mourning subside just as your memory will always remain with them. Rest in peace Julio. God bless you as you make your way into his glorious kingdom.

“ Julio, the youngest of my 3 brothers, never expected much out of life but he offered so much to so many of us. He shared so much humor, love, wisdom and knowledge to not only family and friends buy also to strangers that were afflicted with the same difficulties and challenges that life placed in his path. He survived those challenges and passed on his experiences to help others as much as he could. His creative poetry, jokes and gentle attitude towards life made him a pleasure to be with. Growing up he was the one that would bring home the stray dog to protect and care for. I realize now that in my most stressful moments in life I sought out his company because of his calming nature. I will always remember our fishing trips and the memories we created together. Although we are all in pain because you are no longer with us, I take comfort in the fact that God has eased your physical ailments because he has greater plans for you .
