“ *My condolences to the Mase family. I worked for and with Steve for 20 years. Through those years I had the pleasure of meeting and speaking with Karen. She was such a beautiful person inside and out. Always had a smile and bubbly personality. I can still here her voice when I'd call to bug Steve for work., we'd laugh and joke before she put him in the phone. I pray the family will find comfort in the living memories they have of Karen. May she sleep in perfect peace.*
