How proud of you I am for the woman you became, you will always be in my heart, my beautiful niece. I will continue my prayers and conversations with you each morning as time goes by. Hold on to Kathy and Tom and kiss them for me. I love you always, Karen.*

“ Aunt Kay, Not a moment goes by where the pain gets any less. I miss you more than words could ever explain. You are my best friend and that will forever stay the same. I know you'll still be listening whenever I need to complain or just need someone to talk to. I miss you so much and I love you more than anything. I promise to keep in touch with the boys and Uncle Mike and make sure they have everything they need. Tell Kaka I love her.
