“ After 7 years of trying to contact you on social media to no avail. Last night I had a dream of you and something told me to Google your full name, first middle and last. To find out what I came across today is absolutely devastating and heartbreaking. My deepest condolences to your parents, your sister Lori and her family most importantly your children. I truly cherish the two and a half years we spent together and they're always be a special place in my heart for you Keith. I loved you truly. May you rest in Heavenly peace with no more suffering.
