“ I will never forget the first day I met Kelly, when we were kids. Her beautiful face and sweet smile already told me she was a kind and gentle person. I'm happy to hold that day in my heart. As we reconnected in recent years I could see her as the same amazing person. Wish we had more time together, and memories to share. She will be greatly missed!

“ Kelly was a longtime member of the Southwood PTA who selflessly dedicated her time and efforts to support our students and school community. She served as a member of the Executive Board and became our PTA President. The love that Kelly had for her own five children was evident in every conversation that we shared. I remember the smile on her face whenever we reminisced about Family Affair. My thoughts and prayers are with her family during this devastating time.

“ Many memories through the years, Kelly was a bridesmaid for me and we started our married lives all in the same house! There were outings on Joe's boat, shopping trips when the guys went camping with the kids, family birthdays and picnics. Always in my heart. Peace and love,
