“ Miss Kim was one of a kind. My twins had the pleasure of having Miss Kim at little peoples and she was the best. One of the most kind, caring, nurturing teacher. I also had the pleasure of working with her in the classroom. So many wonderful memories. Kim adored her family and especially loved watching her girls dance. Her good natured spirit will live on forever 🙏❤️

“ Miss Kim was my preschool teacher, and the first teacher I have ever gained a true connection to. I am now starting my teaching journey, and she inspires me everyday when I work with my kids. I hope she knows how greatly she affected my view on school. She was the first teacher to ever understand me, and believe in me. I wish to do the same for my students in memory of her. May she rest in peace, one of the kindest women ever.

“ I am so saddened to hear about Kim’s passing. I grew up playing softball with Kim and having her dad as my coach. She always had the brightest smile and biggest heart. She will be truly missed having touched so many lives. My sympathies to Tim, their girls and family.

“ *I meet Kim when I played softball for her dad and she was our pitcher. She was an amazing pitcher but more importantly she was a sweet, kind person. Kim always had a beautiful smile on her face and was nice to everyone and anyone. I am beyond saddened by her passing! We lost a beautiful soul and heaven has gained a beautiful Angel! My sincere condolences to her husband, girls and her family!*

“ My sincere condolences to all of Kim's family immediate and extended. Kim & I played softball together and her dad was my summer softball coach. Such a nice man. I have fond memories of him as well. I'm so sorry you lost dear Kim so soon. Though we didn't see each other after high school, I so enjoyed all her posts on social media watching her girls grow into beautiful young women that they are today. You all looked so happy and I'm glad you have so many experiences and memories to have during your difficult time of grieving. My heart breaks for you all. May her memory bring you peace. “ *Kim was the 1st parent to welcome us in to the Dance Stop family. I lost my Mom at a young age as well and my heart breaks for all of you. She had so much to look forward to. It is never easy and in a time like this and as you move forward in life, remember her love, how proud she was, and how she would want you to go on to live your best lives! Be happy and be great as a tribute to her and in her honor, because that is what she would want for her family. At your special moments and days ahead, she will be there. Stay strong. -Howard Masia*
