“ *I can't believe it's a year since I lost you and my world changed forever. In looking back, I realize what a gift you were to me. There is not a day that goes by that I don't think of you. Just recently I had such a need to call you and talk to you about something. You always listened with such care. I respected your opinion and miss it so much. I hope you can see how much everyone misses you and how much you were loved. I do believe you are an angel watching over all of us. Until we meet again, Your loving Sis*

“ *I will always remember last Easter, our last holiday together. I will always remember you arriving with not one but three Easter plants in your arms which are now starting to bloom. I will always remember how you lit up the room with your humor that day. You will be so missed this Easter, but you will be in my heart as you always are. Forever your loving Sis*

“ Another holiday without you. This has been the toughest one yet! Christmas is a memory time and because you're a wonderful part of my memories Christmas wouldn't be Christmas without loving thoughts of you! Memories of you have been with me all day today and shared with the rest of the family. Every memory ended with smiles on everyone. You were always so funny and so enjoyable to be around. I miss you so much. Your loving Sis!

“ Happy Thanksgiving Kris! You can tell I don't have facebook because I post on this. Today was very hard because you always came over with a Delicious Pie from Delicious Orchards. I miss you so much and today was one of those days I missed you more than ever. You always added so much to my holiday and always made me laugh. You were so wonderful and life isn't the same without you. You were such a blessing in my life and I know you are now an angel in my life. My love for you is endless. Your Sis!

“ Dear Kris, Today would have been your birthday. I miss not being able to call you and tell you how much I love you and how lucky I am to have a brother like you. We would then go out to lunch or dinner to celebrate. I miss you so much. I miss your laugh, your humor and your genuine sweetness. You will always be in my heart, my thoughts and my prayers. Love forever - Your sister Carol P.S. Please watch over Brianna. She misses you so much! We all do!

“ Erk - meeting you changed my life in so many ways. You made me laugh, you made me cry, and at times you made me angry. But you were always honest and a true friend. You will always have a special place in my heart. Thanks for the memories.

“ Kris, You were such a wonderful man. A devoted loving father to your beautiful daughter Brianna. You were such a huge presence in your sister Carol's life. She always said that you were her "rock". The kids loved going on our trips and vacations, spending holidays together or when you would just stop in to see Carol. You were loved by so many and you will be greatly missed. I know that you are in a good place and that you finally have the peace and serenity that you were searching for. You were the best brother-in-law that a person could ever hope to have. I love you Kris.
