“ My first "real" riding instructor, my first experience as a "working student," spending weekends and working off lessons for many years, before Linda helped me find my first horse, second horse, and third horse, over the span of some 10-plus years. I learned everything about stable management from her. I watched her raise 3 little girls, and helped teach them to ride, under her guidance. We drifted apart, but still stayed in touch. I looked forward to "having lunch" at "the fair" every year, a sort of reunion of friends. I was so sad to hear of her passing, and went through all of my old photos...Remembering really good times. So happy that she enjoyed her daughters' families and grandchildren, I am sure you all were the light of her life. Many fond memories, she will be greatly missed.

“ *I am overwhelmed seeing your obituary. You gave me shelter when I was in need but you became my best friend. We spent so many hours just talking with Pat and Kathy. I was with you when you had your gall bladder removed and you were with me when I had my surgery. You taught me how to ride and how to drive the truck hauling three horses to Snowbird. Standing in the pouring rain with water streaming down our faces and our horses faces. Watching Sybil race after rats n the barn. Boom Boom's many kittens. So many memories to remember. Miss you my friend but know you are still with us in spirit.*

“ Linda was the definition of "a true friend" Always there for you, through good and bad.. Non judgmental. understanding, concerned, loving. loyal, and unselfish. I will miss her and our 58 years of unwavering friendship. I was so lucky to have her in my life and I will miss her always. We will meet again and sit in those rocking chairs on the porch of heaven. We will laugh and remember all the good times, as we always did. Thank you for everything my cherished friend. Love You.
