“ I've had the privilege of getting to know Margaret over the years. I found her to be a sweet, fun, smart, and loving woman. She loved my kids like her own grandchildren. When it came time to sell my house, she was right there helping Jess to get the job done right. My husband and I were so grateful for all the love and support she provided during that time in our lives. And the added surprise of the generous housewarming gifts Margaret and Jess gave us. But my favorite memory has to be on one of the Bonner's amazing NYE parties. At some point that night, she pulled my daughter to the middle of the room and danced with her. She was a lot younger, but she still remembers that night like it was yesterday. It always warms my heart when I think of that. She will forever be in my heart and my thoughts. RIP Margaret. You were so loved.
