“ *Losing someone we love is nothing easy, but knowing that we have been able to be a part of their life, we can realize that we are blessed to have been able to share in that life. When we lose a loved one here on earth, we gain an angel in heaven. May the memories of your Mom bring you comfort during this hard time. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before she passed away. Take comfort in knowing that you have an angel watching over you now. May the Lord bless and comfort you and your family during this time of grief. Please accept our most sincere condolences our hearts and prayers go out to you and your family*
