“ *From the day Jim and I first met Maria, we were family. We will miss you, lady (what Maria and I called each other as our term of endearment for each other). I had many great pictures but will share just a few including one of my favorites of us together enjoying having just recently become grandparents. I do wish I could find the pictures from our New Year's Eve outing at Ria Mar 10 years ago ... we were in our element that night!* ”
