“ Dear Marie Danielle and Philip, May time heal the sadness that you feel with the loss of your Mother. During these tough times, know that you are in our prayers. My family will forever be grateful for the care your Mom provided to the twins Stephane, Stephanie and my niece Dominique when she came to the U.S. The twins were toddlers and could not pronounce your Mom's name Mme Perez, they called her "Ma Peperez" Lol!

We send our deepest condolences to you and your family during this difficult time. May God gives you strength and courage to cope with the loss of your Mother. She will be greatly missed. With Deepest Sympathy, Florence Smarth & Family.
