*Dear Jennifer, I know it is so much time left. I was just 12 or 13 years old when I was on holiday for 3 weeks in Glendale at aunt Mariele's House and for Dinner at your Mum (Joan) and Dads (Udo) home. Now I'm 36 years old...But I just searched in the Internet for you... I'm very sad reading about the death of aunt Mariele and the death of aunt Paula in 2007. I will always have aunt Mariele, Uncle Ernst and Ernie in my heart. I wished our family could meet again! Hope maybe one day you'll read this message...and I would be glad to hear from you! My best wishes for you! Greetings to your Mum and Dad and to your sister Maria. Love, Nicole ❤️
