“ I'm so sorry for your loss Billy. I remember your mom from EGMC. I took care of you at the daycare center then I would take you home when the center closed until your mom got off. She was an amazing lady. I had no clue she passed away. Was just sitting here reminiscing over old photos and there you were. Our deepest sympathy to you and your family.

“ I am very sad to hear of her passing. We we're good friends, enjoyed each other's company and had long conversation about life and the world. We even met a few times for dinner. When I got hired by Bell Labs I lost touch. Then she sent me a letter that she was getting married and I gave her my blessings. She will be forever in my Prayers. She had a good heart and sweet soul. Condolences to her entire family. Regards, Earle W. Holley

“ Oh, how I will miss having someone as sweet and genuine as Marion in my life. She was one of those people who accepted everyone just as they were, flaws and all. She never judged anyone and she stood by those she loved. I thank god I was lucky enough to have her in my corner. I will treasure the memories we shared and hold them close to my heart.

Billy- even though I know you already understand this, I have to say it. Your mama loved you more than anything in this world. Everytime we spoke she told me how proud she was of you. I'm beyond grateful she had you and you had her. Your mother was an angel on earth and now she's your guardian angel. The passing of the one who first introduced us to this planet and who loved us along its paths is never easy. I'm here for you if you need me.

“ It was sad to hear of Marions passing, my heartfelt sorrow to all the family. Too many angels going to heaven. I just recently saw a phrase that was very nice, "Their wings were ready but our hearts were not". Marion will be missed by many, especially family and her High School pals, they were a close group. Prayers for you

“ Dear Annette, Thank You for Taking care of my Dear Friend Marion. I will miss her,
I have the MEMORIES. We meet at 12 in Girl Scouts, we even became Girl Scout Leaders. I remember the Catholic School Dances, we moved on to High School. Expanded our Friendships. We went camping, to the beach, rode around in her first new car, many dinner celebrations with friends, new years eve , The SNOWMAN, ELKS picnics, our lives went on Marriage, children, some of us moving away , funerals. We have all kept in touch and have tried to be there for each other.
Breaks my heart that I cannot attend the services.
God Bless you Annette, with all my heart Karen Bailey Evans
