“ So sad to hear of the death of my dear cousin Mary. I had the good fortune of meeting her when she visited Ireland in the seventies. Would have liked to met her again here in Ireland or in New Jersey. Alas that wasn't to be. I take consolation that my daughter and her boyfriend met up with her and the rest of the family in 2013. Sincere condolences to Robert, Erin kaitlin and granddaghter Savannah Sage and to a.ll the family. We will keep you all in our prayers.

“ I am so saddened to hear of Mary's passing. I worked with her at Carpenter School and always enjoyed our conversations. She was very sweet, knowledgeable, and kind. When I would see her on Tuesday's when she was at school for the Caring Listener's program, we would share stories about our children and grandchildren. Her family meant everything to her. My heartfelt condolences to all of you.

“ I met Mary in 1967, through her sister, my good friend, Sheila. Mary & I got to know one another some years later when she was looking for an apartment & I needed a roommate. We discovered we had a lot in common so we had a good time. I remember a particularly fun weekend in July 1972 with her, Sheila, & other friends at Lake George, NY. She was at my wedding in '74. I moved to MI that year and gradually, sadly, lost contact as often happens. Happily, we recently reconnected on Facebook. I enjoyed seeing her family photos. She obviously loved her family. much. She was very excited about and in love with her beautiful baby granddaughter. Sheila, Mary, & I had been talking about us all getting together when I visited Jersey again. My husband, Joe, and I are so deeply sorry. I know that Mary is celebrating in heaven with her dear parents, and other family and friends. I'm sure that my Dad, also in heaven, will offer to play his guitar and sing for her. You are all in our prayers. God bless you!
