“ *I knew Mary from the 3 years I worked in Rehab at the Madison Center. She was definitely one of my favorites. I would always make sure she attended every event in the dining hall she loved them. I visited Mary everyday to make small talk and we always laughed. Mary had a great sense of humor. I have not been with Madison for 2 years but I always would ask old co workers how Mary G was. I will miss her very much. I send my deepest condolences to the Giles family. Your whole family is in my thoughts and prayers.*

“ Having been out of work for an extended time, I was saddened to hear of Mary's passing. Having only met Mary within the past few years I grew very fond of her. I often stopped by to see her during my day and was always greeted with a smile, laugh and/or funny tidbit. And she almost always offered candy or snack from her stash. Even during stressful workdays she was always able to make me smile. I dread the day I am going to have to return to work unable to steal a couple minutes with Miss Mary. Mary is an amazing person with so much insight and creativity, she will be missed. Wishing the entire Giles family peace and comfort during this difficult time.
