“ *I remember. My first time Brooklyn Christmas Eve with the family. It was the 70's. Mary I thought was an elf delighting me, as I tried to fit in, and helping me and that never changed. What a wonderful woman.*

“ *No one filled a room with more happiness than Aunt Mary. She enhanced every gathering, every situation, with joy and laughter. Rarely a day goes by that I don't recall an "Aunt Mary-ism". Even on the worst day, thinking of Aunt Mary will soon have me not only smiling, but before long, laughing. She is a gift I will treasure forever. I love you Aunt Mary.*

“ *Little Aunt Mary was such a bright fixture of our annual family gatherings and she will be missed dearly. I hope to have such contagious positivity as I grow older. Such a strong, beautiful, vibrant woman. I love you Aunt Mary and I will remember you always.*

“ Aunt Sarah...what a gem. Her favorite saying... I was the apple of her eye, the light of her life, the pain in her.....! She was always there for me and taught me so much. I love and will miss her terribly. I will think of her every time I use the blender, drop an egg, or see an airplane towers blinking light. I cherish all the wonderful memories I have shared with her.

“ We will always think of Mary fondly. She had a great (very dry) sense of humor, which she passed along to her son Paul and grandson Kevin. Our deepest sympathy.
