“ *Mary, you will be missed. You were truly one of the most giving and big hearted women I ever met. You were such a good friend to my family,, especially my Mom.*

You took such beautiful care of everyone especially my sister and I when we felt we had no family left and you made us feel loved. You showed us family isn't always who you were born to...

May you rest in eternal peace . I pray for your family. It was an unthinkable tragedy . I know with the wisdom you taught them all that they will find a way to get through.
