“ *What can I possibly say about my Aunt Maureen that people wouldn't know already. She was a sweet lady. I loved going to my Aunt Maureen's when I was a kid as she always made us feel so welcome. As Time passed by and I grew up and became busy with my own life I didn't really see my aunt much at all and although she is in a better place now she will remain where she has been for so many years....right here in my fond memories of her as well as in my heart. I know she is finally at peace and at rest and she is so deserving of that. I love you Aunt Maureen...Jim*
