“ *Dear Norine, Mike, Carlee and James, Since the time we met Michel and Norine, when we moved to this development 23 years ago, we felt we were so fortunate to have someone so loving, helpful, friendly and in fact, as a member of our family. Myself and Michael worked to gather many times on the lawn and planted many plants, some of them have grown up as big trees, to stay the symbol of our love and friendship and will stay there for ever. In the same way, he stays in our heart always. He said many times, he owes me many hours, even when I said, “ stop saying it, in fact, the amount of help you gave me is countless”. But, now, I feel, I must demand from him the hours he owes me, but the question is, “ to find him“. He must be in one among the stars, God loved him so much, he grabbed him so soon and took him away from all of us. No words can pacify Augies. You all will be in our thoughts and prayers. With Love -- Sam, Leela, Tara and NikhSam and Family Old bridge, NJ*

“ *Michael was a very special person. One of a kind. Would do anything for anyone, anytime. He gave so much of himself to others, never wanting anything in return. He was kind, generous and just the kind of person that could always make you smile. He was a great friend to John and I. Our hearts are broken and we will truly miss him and all the times we spent together. Norine, Michael, Carlee and James..Michael was a great husband and father. He always spoke of the love he had for all of you. He loved all the time he spent coaching..and doing all the little silly things things that made him Mike. We will never forget him. If you need anything, anytime, please don't hesitate to call. Love always, d (Mike was the only one that called me that)Denise, John, Johnny, Chris, Vinny & Ariana*

“ God saw him getting tired And a cure was not to be, So he put his arms around him , And whispered, "Come To Me" With tearful eyes he watched him, And saw him pass away. Although God loved him dearly, We could not make you stay. A golden heart stopped beating, Hard working hands at rest. God broke our hearts to prove to us, He only takes the Best.
