“ Michael is on the path to heaven. "Life is wonderful" he says as heavenly angels guide him on his way to eternity. Here on earth, just to be in his presence, you knew that Michael's thoughts were always of sharing his love of life to all. A loving smile and his ability to look into your heart with mercy, love and understanding made every encounter... special and never to be forgotten.

*The path to heaven continues as does eternal life.*

*God Bless You*
