“ *Rita, Ginny and Michael,*

The journey of grief is the hardest we will ever walk and there are no words, no hugs, nothing that anyone can do to help us thru it ... it is a road we must walk. That being said, remind yourself daily (or hourly) that no one has forgotten you - we love you and pray for God to comfort and walk with you - and you are not alone (even when you feel like you are). Everyone who knows and loves you is walking right beside you and hurting with you and for you. You were blessed by your Dad and you always will be -- there is no hole in your heart -- he IS still there, forever and ever.

*Our condolences,
Max, Beverly, Carol & Jim*

“ *I will miss him every day I also will always be in his debt to his teaching me how to fish, hunt, and most of all how to work hard and reap the rewards of my endeavors. I can't put into words the love and respect I have for my Dad, Michael P George III. He is in my heart and I will love him until we meet again. God Bless you Pop. I also need to mention how devoted Mike was to his wife Dolores and all of his children. Mike was a wonderful father and he loved me as if I was one of his children. I will carry love for him in my heart until we meet again. Rest In Peace Pop* ❤️

“ Growing up Michael P. George III was my part-time Dad due to my close friendship with Ginny. He must have loved me because he took me on every vacation or weekend journey the family planned! Each and every Christmas there was a present for me from Santa under the Christmas tree at the George's home - even Santa thought I lived there. I am so blessed that this strong, hard working man was a part of my life growing up. Rest In Peace Dad. Ginny, Rita, and Michael, I will keep you all in my prayers. God bless.

Love,
Carol

Mike, you were the best Father in Law. I will miss your advice, companionship, and strength of character. You were a loving guide, and example to all. Peace and everlasting life thru Jesus Christ our Lord and Savior. James

*Fond memories of my younger years spent with my cousins, Rita, Ginny and Michael, Mickey and Delores and Aunt Lucy and Uncle Mike. As I grew up and I was old enough to hunt, I had the privilege of going Bowhunting with Mickey, and my other second cousins Doug and Sonny Intravatora. The three of them were roughly 20 years older than me but they treated me like an equal. They were a tremendous influence on my love of Bowhunting. Again, great memories. Another Angel from our family enters Heaven. Rest In Peace Mickey.
