“ *....my thoughts and prayers will always be with you.....I don't think I will ever be able to find words to describe how much I hurt for you, I can't tell you how very sorry I am - as "cliche" as it sounds -I hope you can take a little bit of comfort in knowing that you and your family gave that sweet little angel son of yours something most little boys could only hope for. You all loved him more than words could say.....and he knew that :-) as he told you every day :-)*

“ Dawn, I'm so sorry it has taken so long for me to say something. I just cannot begin to imagine an ounce of your pain. We might not have kept in touch like we should have. We grew up together, hung out in your house on Bleecker St and in Hoboken where I actually met Angel....what you have done and what your experiencing is unfathomable.....I just want to let you know that I have not stopped thinking of you & your family. You have always been nothing but wonderful....I am so very sorry.....Love Donna

“ To Dawn and Family, You may or may not remember us but Jasmine and Mikey attended daycare together for a few years. We were deeply saddened by the news we learned yesterday but we refused to believe. Mikey was a sweet, caring little boy who was full of life, and precious smiles. He touched your heart instantly upon meeting him, and he will be missed by us all. Our family extends our deepest sympathy and condolences to you and your family. May God and the many loving memories you have of Mikey keep you strong, and be your source of comfort during this difficult time. We are very sorry for your loss, and our thoughts and prayers are with you always. With kind regards, Jasmine, Judi, and Manny Torres

“ Dawn and family, I am so sorry Mikey has passed away. I thoroughly enjoyed every single story you told me about his schemes and follies. He was a great kid and a trooper throughout his young life. When I think of him, I smile. You made him come alive for me each time we met and talked without me ever meeting him! You were blessed for the time you did have with Mikey and now it's God's turn. He will forever be your angel. A great big HUG to you and family. Stay as strong as you can during this time of grief.

“ *Dawn & Farrell Family, I am so sorry for your loss. You provided him a life was filled with happiness and love. Remember what moves through is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, may not understand why he left this earth so soon, or why he left before everyone was ready to say good-bye, but little by little, begin to remember not just that he died, but that he lived. And that his life gave memories too beautiful to forget.*
