“ We met before Billy and our friendship had lasted 41 years. You're only the second girlfriend I've lost in 60 years, and I still reach for the phone to talk with you. Damn it I miss you.
I have yet to watch a Ranger Islander game since you left because it still stings to much. Haven't had a good argument over which team is better and probably never will again.
I'll see ya soon,
just not yet.
Love you always,
your favorite NY Islander Wrench 🙏

“ Michele was my friend and neighbor for many many years. I watched her children grow up into adults and they were her life. During the Pandemic we would cook and share with each other. She had such a big heart! Laughs, fun, tears, conversations we did it all. My heart is broken and I miss her. RIP my friend you put up a good fight!!!!

“ We met each other a lifetime ago in Bensonhurst. I loved being around you, Joseph Mom and Dad. Then one day you met this tall handsome man and you almost immediately fell head over heels in love. Life took its course and gratefully we wound up together again. As a matter of fact by the time we got back together again it was you me and Doreen. An unsuspecting Trio from back in the neighborhood that life threw together. You give our love to all of our loved ones. I know Billy was there waiting for you as you passed over (with your Rangers Jersey.)

I miss you so much Michele,
I love you 🙏💔😔
See you on the flip side
