“ Nancy I still can't believe your gone. I don't understand the reason why you were chosen to leave us, but I guess they needed another Angel in heaven. We had a lot of good times especially when you and Gail always stood at my house in Brooklyn when we were younger. Times I'll never forget. Just thinking about it puts a smile on my face. All the bbq's at your mom and dad's when I was younger with the whole family . That's what family was back then, now it's only memories. I will miss you very much. Rest in peace. I love you.
