“ *Nick was the brother I never had the blessing to look up to. He always made me strive for excellence, and made sure everyone had a smile on their face. He was always looking out for people, and made sure he left a good impression on everyone. His laugh was so contagious and it lit up every room. Watch over us now big bro, we all love and miss you so much. Rest easy, until I see you again.*

“ You know Nick, your mom and I have been friends for the last 40 something years. Besides from becoming comadres we have become sisters from the heart. I remember the day you was born, you were so tiny but I feel in love with you from that very moment. I was honored when your parents asked me to be your Godmother, a roll I took very serious. I hope I proved to you how much you meant to me. You was such a funny little boy and so handsome. I truly will miss you but the great memory I have of you when I last saw you is one for a lifetime. You hugged me so tight and whispered in my ears and said "Nina you are shrinking on me".  
My comadre...I wish I can find the words to enlighten your agony but sometimes words are just not enough. You know Comai I loved Nick as one of my own. I ask for God's blessing so that you may find the courage and strength to move forward in peace, Nick would want that.

*Rest in peace my handsome Godson. Love you forever, Nina*
