“ *Too soon. I only knew her through her friendship with my sister--who is just wrecked over this loss but I could tell soon enough that she was a straight shooter. I know she was kind to my mother during her struggles and to my sister she was as close a friend as my sister could have. I am sad for her family, her husband and all her many, many friends. She will be missed.*

“ *The sheer force of her presence was obvious right away . With a rare combination of straight shooter , focused concern friend , common good torch carrier , and a fireworks show blast of personality....you couldn't go wrong being her friend . Our collective world simply feels less , minus , and kind of rudderless . Thanks for giving me a job , a very fun one at that , your friendship , laughs, but most of all thanks for just your sheer power packed presence Paigey .*

*Our childhood memories are so awesome. My biggest memory was
Paige on a piano she could play any song I asked. She never needed
a book to play she played by ear. And how we would walk from Church
to her house that I loved because her mom was so sweet. And the cats
were everywhere I loved the way her mom loved the cats. She loved
life and everyone around her. Rest in Peace my friend*

“ *Paige is my little sister... She was the baby of the family. It's impossible to wrap my head around how this could have happened. Almost like it can't be real...*

Paige was a funny, Zanny, spirit that always had a prank, or joke up her sleeve, and you could count on her to be up to some sort of shanangins.

She loved all animals, and most of all cats, and would feed the homeless ones, and make little houses out of totes for them in the winter... She took after my Mom in that way...

When ever I see a mermaid Paige jumps to my mind. She loved mermaids and she got lots of them for christmas from me! I still have her christmas presents here and one of them is mermaid... I should have mailed them to her.

She loved to have fun and was always smiling and laughing. She made the best out of all situations, and was eternally positive.

She was fearless (especially when she was mad, and had a temper to beat the band LOL)

She spoke her mind and called a spade a spade with no apologies, a straight shooter. You always knew where you stood with her.

She had a strong sense of what was right and good and stood strong in her beliefs no matter what any one else thought...

She worked at an ER in the hospital, and her Coworkers took care of her when she suddenly fell gravely ill so thank you to all the Coworkers that loved and cared for her...

She loved deeply and was a loyal faithful friend to all she cared for.

She loved her Husband Paul Parlacoski (big daddy) with all her heart, thank you Paul for giving my baby sister the love and warmth in life she deserved. We were all so happy she found true love in you. My brother for ever... I love you.

Jake, she talked about you to me often and would tell me how proud she was of you and how grown up you are now... She loves you very much.

Thank you to my sister Glyyne and her daughter Ashley also for being there to care for her at the end. Not easy to do i know... But your love for her was a selfless love and that is the greatest kind of love you can hope for...Paige had that from you both...

I'm so thankful for the time we had with Paige, and my only regret is that we didn't get to talk more often. She was ripped away from us so fast and it just makes me realize how important it is to be connected with those you love. Don't let a busy life keep you so busy you can't spend time with love ones... you never know how long you have with them.

I'm grateful for all the pictures of Paige I have, and if any one has Photos or a funny story to tell me PM me. I'd love to hear it. I'm thankful for the life time of memories I have with her and cherish them. Brooke Purvere Foster is my face book page.

Rest easy Paige and don't cause too much trouble in Heaven with Mom

(double trouble right there!!!) I'll see you again, I love you with all my heart Paigie!

Below is a link to a song Paige loved... I have to post it. Never been gone By Carly Simon. It was a favorite. https://www.youtube.com/watch?v=etRnse7eYN0&list=RDetRnse7eYN0&start_radio=1

“ *Her smile! Her laughter! All contagious.... Paige was such a beautiful person and will be missed dearly. I always got a kick out of our late night phone calls and when she said....wait! I am on my way over.... she would rather talk in person to me. It won't be the same July 4th without her detailed decorations..... Thank you Paige for your friendship and smile down upon all those who love you so. To Paul, Jake and Ashley.....always remember how much she adored you. Our thoughts and prayers are with each of you during this most difficult time ..*
