

## Pat Vincent

May 14, 1932 - December 29, 2020

Pat Vincent : The Best of the Best!

Surrounded by the love of his family, Pat Vincent, passed away on December 29, 2020 at the age of 88. He was born in Newark, New Jersey on May 14 1932. He moved to Belleville, New Jersey in 1968 where he lived until 1994, and then finally moved to Sayreville, New Jersey. He had numerous jobs throughout his life, but he truly enjoyed his time as a Corrections Officer. He retired from the Essex County Corrections Facility in 1978 and was a Veteran of the Korean War.

The love he had for this family was immeasurable and spending time with them, was his greatest treasure. Though his health was failing for many years, he fought hard to live for his family. At the age of 43, he had a massive heart attack that left the doctors saying his days were numbered. The Lord graciously blessed us all with 45 more wonderful years with him. He was literally a walking miracle and everyday was a gift. Everyone loved his beautiful smile and wanted to be around him. He was the center of every occasion and always made everyone laugh with his charisma and contagious personality.

He had the sharpest mind, the greatest voice and the biggest heart. He was everyone's number one fan and every one of his grandchildren was his

"favorite".

He was incredibly smart and there was nothing that he could not find a solution for. He has been called Mr. Fix-It, Superman, Bionic Man, Jack LaLanne, Johnny Garfield and Gene Kelly, to just name a few. He was the absolute best. No one loved his family more and no one was loved more than him.

Pat was predeceased by his parents, Anthony and Florence (nee DeLorenzo), his brother Ralph and his sister and brother in law Eleanor and Nick Massa.

He is survived by his beloved wife of 69 years Josephine (nee Cullari), his three children Anthony (and Maribel), Patti Palma (and Angelo), and Lisa Scirica (and Joe). He leaves behind his grandchildren: Patsy (and Rebecca), Angelo (and Erica), Alyssa, Anthony Jr., Gianine (and Rick), Geena, Christina, Jessica, Gabriella, and Joey. He was truly grateful that he lived to enjoy his three great-grandchildren: Alanna, Brielle and Adalia and was looking forward to meeting the fourth one on the way.

In addition, he also leaves behind his sister Carmel DeMarzo (and Victor), sister-in-law Esther Vincent , along with many other sister and brother-in-laws, nieces, nephews and greats. Pat will be greatly missed and forever in our hearts.

Due to COVID restrictions, there will be a private Celebration of Life Ceremony held in Pat's honor.

“ *Dear Dad:*

*Thank you Dad for raising your son, Anthony to be such a great husband and father. Because of YOU, I have been blessed with the best husband and the greatest father, my three children could ever have.*

*I was so blessed to be your only daughter-in-law and yet you always treated me like I was one of your own children.*

*One of my best memories of you is whenever we ate dinner together at my house, you would always say Mare, it is DEELICIOUS!*

*Another favorite memory was going to garage sales with you and mom. You taught me how to bargain! I will miss you forever and all our talks on the phone.*

*Thanks Dad for treating me so good and always saying:  
I love you Mare whenever we said Good-bye.*

*You will always be in my heart and in my greatest memories!*

“ *My father was the best there was. He was always there for me. When I got married and had kids, his love only got stronger and my kids got to experience that love I was lucky enough to have my whole life. He never missed a single event and was the life of the party wherever we were. My favorite tradition they started in my own home growing up that we still keep going today are our Sunday family dinners. Even all my friends Garside Street remember him well for the father/amazing man he was. He saw family was important and made us all so close. I am the man I am today because of this amazing man who raised me. I'm going to miss you for the rest of my life Dad. I love you.*

“ Looking through the pictures of my grandfather's life, you'll always see this huge smile on his face. He was a light to all in his life. He never missed a game, play, or any event any of us (his grandchildren) were apart of. His love & his legacy will continue on through the lives he touched and through his family he loved so much.

*To all the Vincent, Palma, Scirica families and just everyone who loved your Grandpa, he truly was a wonderful, sweet man who loved his family and friends and just made the room awhole lot brighter by entering it. The good Lord gave to him 45 extra magnificent years to share that love with all who knew him. Though he has made his journey into paradise, the beautiful legacy of love, family and just plain old fun, rollicking times that him and your mom/grandmother created will endure thru now and all future generations. Yes such a handsome man on the outside (and yes indeed a John Garfield lookalike for us older folks), but even more beautiful on the inside. Blessings always to all his family thru these difficult times.*
