“ We were so sorry to hear the news of Pat’s passing. We have so many wonderful memories of her in our lives. I remember sitting at Little League Games, when our sons played on the same team coached by our husbands. I remember when she came down from her job at Staten Island Hospital to sit and hold my hand, when my daughter was in surgery. There were many holiday parties, cruises, New Year’s Eve celebrations along the way , we’ll never forget. Every time Barry Manalow is played we’ll always remember Pat as his fan favorite. We’ll regret not seeing her Thanksgiving time, this year for our annual visit. She will always remain in our hearts with her loving and caring demeanor. We loved her and will miss her in our lives. Condolences to the entire family!

“ I was broken hearted to hear about Patty's passing. Patty and I grew up together on East 2nd Street in Brooklyn and shared a lifetime of special and wonderful growing up memories including our weddings.

My deepest heartfelt condolences to Alan, Jennifer & her beautiful family and Russell and his beautiful family and the rest of the extended family from both myself and Eric. Patty's beautiful family was the center of her world and she had so much pride, joy and love for them and from them.

Patty will always hold a special place in our hearts and she will be dearly missed.

“ My grandma is the most selfless person that I've ever met. She always wanted everyone to be happy, safe, comfortable, and have a full stomach. I am so thankful that I learned so many important life qualities over the last 24 years.

I love you Grandma. Please look after us up there.
