“ I have known Patricia for over 30 years, her daughter Patricia DeAngelis and my son Frank DeAngelis married and had 3 children Frank, Louis, and Angelina. There are many stories and we spent endless hours talking when we would both watch the grandchildren together. We laughed quite a bit, and cried at times as well. Our families were blended and we were Grandma to all! Pat was funny and we shared so many stories and thoughts about our past years and present years. I will forever feel her loss, as we both loved them all beyond belief. Through good times and some times, that between us suffered losses . We understood life and so happy to watch the children grow. I'll miss Pats humor, and how sometimes we were the only ones who understood what was so funny! I will miss you Pat, and I'll see you when I see you! Say hi to Joseph and Robert, and a kiss! Rest well in Gods Heaven
