“ *Paulie,*

From the day I spent in the hospital waiting room for you to be born, I have loved you. The unforgettable times we have spent together, Cedar Point riding rollercoasters for 4 straight days, Disney and Universal, birthdays and holidays, watching you play football, and my favorite thing... our heart-to-heart conversations. Every single moment I spent with you I cherished. You had the biggest heart and sweetest soul. I will love and miss you forever. Until we meet again, please kiss and hug Poppy for me, because I know he welcomed you into Heaven. Please look out for all of us, especially your parents and your sisters. May you rest in the sweetest eternal peace.
