“ To my Father, we already miss you terribly, and you will be remembered always by your friends and family. I'll miss our talks about life, cooking, and memories of the good old days. I know how much pain you've endured, and I'm proud of how hard you fought to get better, you never gave up no matter how the deck was stacked. I promise your Grandson will remember you as he grows up, and I'll be sure to tell him how much you loved him and cherished him. Although you may be gone you will never be forgotten, Rest in Peace, Pop.
